

ASPO-USA Boston 2006 Conference - Proceedings and Reports

By all accounts the Boston Conference was excellent, the following links come courtesy of ASPO-USA. Presentations are available at the ASPO-USA library now and can be found through the following links

- * Selected Online Presentations
- * Downloadable PDF Format

ASPO-USA will also be publishing a DVD of the conference and will publish audio online as soon as it is made available to us from our conference video and audio support team.

[links to conference blog reports below fold...]

The following are links to blog reports about the ASPO-USA 2006 World Oil Conference put on the web by attendees and media. ASPO-USA thanks all attendees and welcomes all views and opinions.
