

Senate: Public Transport (and oil supplies)

The Senate inquiry into Public Transport has been holding hearings around Australia.

Details of the inquiry, lists of submissions on the Senate website etc here.

ASPO-Australia made a main submission, one from ASPO-Sydney and one from the Defence and Security working group. We were invited to appear at the Perth hearing (Hansard)

As well there were individual submissions from Dave Kilsby, Garry Glazebrook, Alan Parker and Matt Mushalik (with the prize for the biggest submission, 18MB), and from the Cycling Promotion Fund and Prof. Peter Newman amongst the 142 published so far
